I know and understand that skiing and snowboarding in their various forms, as well as preparation for and participation in, coaching, volunteering, officiating and related activities in alpine, Nordic, freestyle disabled, and snowboarding competitions and clinics (all of which are hereinafter collectively referred to as "activities"), involve many risks, dangers and hazards. These RISKS, DANGERS AND HAZARDS include, but are not limited to, changing weather and snow conditions, variations in steepness or terrain, natural and man-made obstacles and structures, equipment failure, collisions with objects or structures, being struck by skiers/riders or equipment, and exceeding my own abilities. I further understand that ski and snowboard training and competition involve performance at the limits of one's abilities, and therefore are more hazardous than recreational skiing and snowboarding. I understand that INJURIES OF ALL TYPES ARE A COMMON AND ORDINARY OCCURANCE. I know that the risk of SEVERE INJURY and even DEATH exists in all training and competition locations and activities, including free skiing and riding. I also know that personal training, coaching, instruction, supervision and enforcement of rules by the United States Ski & Snowboard Association, its subsidiaries, affiliates, Officers, directors, volunteers, employees, coaches, contractors and representatives, local ski clubs, competition organizers and sponsors, and ski and snowboard facility operators (hereinafter the term "USSA" shall be used to refer to all such persons and entities collectively) do not and cannot guarantee my safety.
